Dear School Administrator,

Congratulations on your decision to pursue Kentucky school certification by presenting your school's accreditation documentation through the Kentucky Non-Public Schools Commission, Inc.

Enclosed is a simple application form for you to complete and return to us along with the documentation and payment specified. If your application and supporting documentation are submitted by April 15, the materials will be presented to the membership of the KyNPSC, Inc. for its consideration and recommendation to the state Board of Education. The Board would then act on your request for certification at its June meeting.

If you have any questions, do not hesitate to contact me.

Sincerely,

Stephen Koplyay, SPHR  
Administrator
